FROM: Sarah Allen, Acting Administrator 

SUBJECT: State Procurement Office (SPO) Website

Effective immediately the SPO will launch its new website earlier than expected. As you may have noticed, our current SPO site is down. While we are transitioning, there may be periods when the SPO website is down. Thank you for your patience.

Redesigned to streamline navigation and provide a contemporary look, the new site keeps the needs of vendors and State & County procurement personnel in mind; to make the information you need easier to find and more timely. New information is being added frequently. Check back regularly for updates.

The URL for the home page is changed to <http://spo.hawaii.gov>. The old URL to the SPO homepage will redirect appropriately, but URLs to various subpages of the SPO website will change and your bookmarked/favorites pages may not work. You will find access to most frequently used pages on the SPO landing page (see attached).

Your staff may contact Andrew Lum at 586-0558 or e-mail andrew.a.lum@hawaii.gov for any website questions, or you may call me at 587-4700.
