

# NORMAN'S TRACTOR SERVICE

Date: March, 13, 2015

## Capability Statement

Our highly skilled demolition and excavation contractors can provide land clearing services to prepare for new construction. We can remove: Construction Debris, Land Clearing Vegetation, Trees and Grubbing. Demolition to remove walls, rock concrete, pools and other structures. We specialize in light and heavy debris hauling services with a dump truck capable of up to 22,000 lbs. hauling. We are equipped with a trailer that can haul up to 55,000 lbs. of construction equipment. We can transport aggregate or debris.

We have performed work for numerous residential clients for over the years. We have worked with the C&C, Department of Transportation, Harbors Division, Hickam Air Force Base of Engineers and Bishop Museum.

We are a progressive and environmentally focused service that always places safety first, look no further than a team to get new development or projects on track in time. All operations are treated with the respect and your requirements are always upheld throughout the process. With efficient and streamlined service.

We have been serving the building and home demolition for over 35 years. We provide service to local residents, individuals and businesses. We've worked geographically the whole island of Oahu. We have serviced the Big Island of Hawaii on several jobs. We are staffed with 4 full time employees. We have had up to 10 seasonal employees.
