USE OF PRICE AND VENDOR LIST CONTRACT BY NONPROFIT ORGANIZATIONS.

Pursuant to HRS §103D-804, nonprofit organizations with current purchase of service contracts (HRS chapter 103F) have been invited to participate in the SPO price list contracts.

A listing of these nonprofit organizations is available at the SPO website: <http://spo.hawaii.gov>. Click on “For Vendors” > “Non-Profits” > “Cooperative Purchasing Program” > “View the list of qualifying nonprofits eligible to participate in cooperative purchasing.”

If a nonprofit wishes to purchase from a SPO price or vendor list contract, the nonprofit must obtain approval from each Contractor, i.e., participation must be mutually agreed upon. A Contractor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and Contractor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a SPO price or vendor list Contractor(s).

VENDOR CODES for annotation on purchase orders are obtainable from the *Alphabetical Vendor Edit Table Report* available at your department's fiscal office. Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.

SECTION 3-124-26, Hawaii Administrative Rules (HAR), mandates State agencies and encourages County agencies to purchase recycled paper. Exceptions to this section may be taken when statutory, regulatory, or contractual requirements preclude the purchase of recycled paper.

UNIT PRICES include delivery to destination and all other costs except the State General Excise Tax, currently 4.5% for sales on Oahu and 4% for sales on the islands of Hawaii, Maui, Kauai, Molokai and Lanai. Agencies are advised to add tax amount to their purchase order total. General excise tax shall not be applied to delivery charges.

PURCHASING CARD (pCard). The State of Hawaii Purchasing Card (pCard) is required to be used by the Executive departments/agencies, excluding the DOE and OHA, for orders totaling less than \$2,500. For purchases \$2500 or more, agencies may use the pCard, subject to its credit limit, or issue a purchase order.

PURCHASE ORDERS may be issued for purchases \$2500 or more; and for Contractors who either do not accept the pCard, set minimum order requirements before accepting the pCard for payment, or charge its customers a transaction fee for the usage.

SPO Price and Vendor List Contract No. 11-07 shall be typed on purchase orders issued against this contract. For pCard purchases, the SPO Price and Vendor List Contract No. 11-07 shall be notated on the appropriate transaction document.

ORDERING on a timely basis is the responsibility of each agency. Orders shall be issued on an as-needed basis during contract period. The Contractor shall honor all orders received during the contract period and deliver according to the contract terms and within the required delivery time. Contractor is not obliged to accept any order received after the price and vendor list expiration date; however, Contractor shall fill timely orders for which delivery may extend beyond the expiration date. Agencies shall not issue purchase orders specifying delivery after the price and vendor list contract expiration date. At time of order, agencies shall specify where

their order is to be delivered. When requested by the Contractor, ordering agencies shall provide information regarding the delivery locations special access conditions. This includes security, platforms, steps, curbs, and accessible ramp way or doorway widths to navigate, if the items are to be brought up or down any flight(s) of stairs and if no elevator is available. Agencies should not cancel special orders.

DELIVERIES. The Contractor shall contact the appropriate agency to coordinate delivery arrangements.

On-Island Deliveries (agency and Contractor's warehouse located on the same island).

In-Stock items: ordering agencies shall have the option of having in-stock items available for pick up on a will-call basis within three (3) business days from receipt of order or, for orders totaling \$25.00 or more (excluding GET), having the in-stock items delivered to an office location on that island, within five (5) business days. Deliveries on orders totaling less than \$25.00 (excluding GET) will be at the option of the Contractor.

Non-Stocked items: ordering agencies shall have the option of having the non-stocked items available for pick up on a will-call basis within thirty (30) business days from receipt of order or, for orders totaling \$25.00 or more (excluding GET), having the non-stocked items delivered to an office location on that island, within thirty five (35) business days. Deliveries on orders totaling less than \$25.00 (excluding GET) will be at the option of the Contractor.

Off-Island Deliveries (agency and Contractor's warehouse not located on the same island).

In-Stock items: ordering agencies shall have in-stock items delivered to the address specified on their order within fifteen (15) business days from receipt of order. Should the Contractor have a retail or wholesale business located on the same island as the ordering agency, agencies located on that island shall have the option of having in-stock items available for pick up on a will-call basis within five (5) business days from receipt of order.

Non-Stocked items: ordering agencies shall have non-stocked items delivered to the address specified on their order within forty (40) business days from receipt of order. Should the Contractor have a retail or wholesale business located on the same island as the ordering agency, agencies located on that island shall have the option of having non-stocked items available for pick up on a will-call basis within thirty five (35) business days from receipt of order.

Shipping Charges for off-island delivery, if any, may be added as a separate line item. GET shall not be applied to delivery charges. Contractor shall notify the ordering agency of the exact amount that will be charged for shipping. Contractor shall not charge shipping charges without first obtaining approval from the ordering agency. Shipping charges shall be on the same invoice as the goods. Vendors have established a dollar level needed on orders to obtain delivery of goods at no cost.

Contractor may quote ordering agencies an estimated shipping charge. Once the order is processed, Contractor will notify and obtain approval from ordering agency to charge actual shipping costs. Agencies are discouraged from cancelling an order based on the cost of freight as long as the actual shipping charges do not exceed estimated shipping charges by more than \$8.00.

Dollar Levels To Obtain Free Shipping:

Conrad Enterprises:	n/a
EDP:	\$20,000.00

Recycled Office Paper. Orders for recycled office paper may require alternate arrangements for staggered delivery dates to accommodate large orders. For example, when there is only stairway access for delivery to another floor, only ten (10) cases of paper should be furnished in a day to that site. For delivery locations with no elevator, the vendor will deliver the paper to a first floor location. For delivery locations with an elevator, Contractor shall deliver to the ordering agency's requested location. It is the responsibility of the Contractor to ensure that all items are ultimately delivered to the designated areas and unloaded.

RE-STOCKING FEE. The flat rate re-stocking fee may be assessed to the agencies for orders placed and delivered, but for other than defective reasons are being returned or exchanged subject to the following conditions:

- A. Fee Assessment shall apply per incident, not per line item or quantity
- B. Fee assessment shall not apply if erroneous delivery of items is due to typographical error, regardless of fault. It shall be vendor's responsibility to verify that each item's branch, description and ordering number match before delivering item(s) to agency.

Fees:	Conrad Enterprises:	\$50.00/incident
	EDP:	\$25.00/incident
	Fisher Hawaii:	\$20.00/incident

COMPLIANCE. Prior to awarding a contract, the SPO verified compliance of the Contractor(s) with all laws governing entities doing business in the State pursuant to HRS §103D-310(c), and SPO will monitor compliance throughout the term of the contract via *Hawaii Compliance Express (HCE)*. Therefore, purchasing agencies are not required to verify vendor compliance prior to utilizing a SPO Price or Vendor List contract.

INSPECTION. Any products, damaged, defective or spoiled, should not be accepted by the ordering agency and the Contractor shall be responsible for replacement. Agencies are advised to inspect merchandise delivered immediately upon receipt and report any discrepancies to the Contractor within five (5) working days from delivery date.

Agencies should be alert of any scams where orders are falsely placed. All need to be vigilant in verifying the accuracy of each order being placed and received. If there is any suspicion of

goods being delivered without proper documentation of the goods being ordered, please contact the State Procurement Office to report your findings.

QUALITY OF PRODUCT. All supplies excluding printer cartridges furnished under this contract shall be new and of the best quality of its respective kind. It shall be free from defects which may render it unfit for use. Damaged, defective, rejected or unacceptable items shall be immediately replaced with items of the same quality within one week of notification. Failure to replace any unacceptable item shall not relieve the Contractor from the responsibility imposed upon them by the contract. No payment, whether partial or final, shall be construed to be an acceptance of unacceptable supplies.

All Printer Cartridges furnished under this contract, if found defective, shall be replaced by the Contractor if agency can prove purchase during the Contractor's contract period and expiration date, if any, has not lapsed.

VENDOR AND PRODUCT EVALUATION form SPO-012, for the purpose of addressing concerns on this contract, is made available to agencies at the SPO website: <http://spo.hawaii.gov>. Click on *Forms* on the home page.

VENDOR LIST INSTRUCTIONS

MINIMUM NUMBER OF QUOTATIONS.

To purchase the exact same item (brand name and number) listed on the Price List from a vendor other than the Price List awarded vendor: Agencies are required to obtain a minimum of two (2) quotes for all dollar levels from the Contractors listed under "Office Supply Vendors" or "Printer Cartridge Vendors," as applicable. The price listed on the Price List is not considered as a quote.

Example: you want to order item 18: binder index dividers, 5 tab, clear, economy. On the Price List, it is listed as Avery L311466 from OfficeMax at \$0.48/set. You can order Avery L311466 from OfficeMax at \$0.48/set without obtaining quotes. However, if you want to order Avery L311466 but do NOT want to order from OfficeMax, then you must obtain two (2) quotes.

To purchase items NOT on the Price List: Agencies are required to obtain quotations from the Contractors listed under "Office Supply Vendors" or "Printer Cartridge Vendors," as applicable. Agencies are encouraged to obtain as many quotes as necessary to determine the most cost effective option.

- a) Obtain at least one (1) quote for expenditures less than \$5,000; and
- b) Obtain at least three (3) written quotes for expenditures \$5,000 or more

Consideration of Quotations. Agencies shall consider all quotations received. Purchase shall be made from the Contractor with the most cost effective option, except in situations where the most cost effective option fails to meet the needs of the agencies.

Uniform request for quotations. When obtaining multiple quotes, Agencies shall prepare a uniform request for product and pricing quotations and submit the uniform request to all Contractors. Agencies may use Form SPO-010A, Small Purchase Quotation Form, or similar to request for quotes.

Failure to receive quotations. Agencies that are unable to obtain the minimum number of quotes specified above should document the information accordingly to provide proof that agency did their due diligence.

INFORMATION REGARDING THESE REMANUFACTURED COMPATIBLES:

Using remanufactured toner cartridges will NOT void the warranty on your equipment (Magnuson-Moss Warranty Improvement Act).

Clover remanufactured cartridges are produced to stringent quality control standards, using lab-tested components to ensure consistent OEM-equivalent performance.

Warranty: Products are warranted to be free from defects in materials and workmanship for a period of 12 months from date of purchase. Products are warranted not to damage the print head or a printing mechanism or component when stored, installed and used in accordance with the recommended procedures. <http://www.cloverttech.com/warranty.asp>

If a cartridge does not meet expectations, contact the vendor to have your cartridge picked up and replaced immediately. If applicable, include a page sample showing the print quality problem.

Environmentally responsible: Each discarded cartridge adds approximately three pounds of waste to our landfills - waste that will take as long as 1,000 years to decompose. Remanufacturing the estimated 500 million produced cartridges each year will save an estimated four million cubic feet of landfill space.
