

ROJAC CONSTRUCTION, INC. / ROJAC TRUCKING, INC.

ROJAC Construction, Inc. and ROJAC Trucking, Inc. are headquartered at 150 Pakana Street in Waikapu, Wailuku, Maui, Hawaii.

ROJAC Trucking, Inc. was established in 1984, and ROJAC Construction, Inc. was founded in August of 1995 in the State of Hawaii.

ROJAC Construction, Inc. is a general contractor licensed in the State of Hawaii specializing in General Engineering Construction within Maui County including, but not limited to, highways, roadways, pipelines, underground utilities, underground and above ground storage facilities, mass earthwork and grading, concrete structures, and water, sewer, and drainage systems. Its State of Hawaii Contractors License No. is ABC-20056. The company is signatory to the operating engineers, laborers, carpenters, and masons unions. Since inception ROJAC Construction, Inc. has completed projects ranging from \$1,700.00 up to \$14,000,000.00. Manpower fluctuates with work in progress, with a current count of 14 workers. Past customers include the USDA, State of Hawaii DOT, DOE, DOA, DLNR, County of Maui DPW, DWS, DPR, WWRD, SWD, DSA, Maui Electric Company, and numerous private developers.

ROJAC Trucking, Inc. is a general hauling company with expertise and equipment to haul construction materials, equipment, and freight. The company has hauled specialty items such as large generators for Maui Electric Company and telescopes for the United States Air Force. Currently the company has twenty (20) employees using a fleet of thirty nine (39) trucks and multiple trailers. ROJAC Trucking, Inc. owns several non-potable water trucks and one stainless steel tanker trailer that has been certified for potable water.

Both companies pride themselves on being locally owned and managed with a reputation for innovation and satisfied clients. Because the companies have chosen to work only within Maui County, with primary emphasis on the island of Maui, their reputations for satisfied customers are equally as important as bottom line profits.
