

Procurement Policy Board Current Membership

Guidelines & Members

The seven-member, autonomous Procurement Policy Board (Board) was created to adopt, amend, or repeal administrative rules to carry out and effectuate the purpose and provisions of Hawaii Revised Statutes Chapter 103D regarding the procurement, management, control, and disposal of any and all goods, services, construction; and Hawaii Revised Statutes (HRS) Chapter 103F for the purchase of health and human services. The Board considers and decides on matters of policy and audits, and monitors the implementation of its rules and the requirements of its statutes. The Board shall be assigned, for administrative purposes only, to the State Department of Accounting and General Services (DAGS).

Board Membership

The members of the Board shall include:

- (1) The state comptroller;
- (2) A county employee with significant high-level procurement experience; and
- (3) Five persons who shall not otherwise be full-time employees of the State or any county; provided that at least one member shall be a certified professional in the field of procurement, at least one member shall have significant high-level, federal procurement experience, and at least two members shall have significant experience in the field of health and human services.

Each appointed member shall have demonstrated sufficient business or professional experience to discharge the functions of the Board.

Current Board Membership

The current board has four members, with one as a holdover.
