Vendor codes are obtainable from the "Alphabetical Vendor Edit Table Report" available at your department's fiscal office. Departments/Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code

## STATE'S COMMITMENT

All cafeterias on the Island of Hawaii under the HIDOE's School Food Services Program are mandated to purchase products from this price list.

Food service agencies under the Executive and Judiciary jurisdictions may purchase products from this price list at their option. Other agencies from participating jurisdictions may purchase from this price list but these purchases will be minimal and infrequent.

## ORDERING PROCEDURES

- Orders must be placed ten (10) business days prior to requested delivery date.
- Orders shall be faxed to the above-listed vendors using order forms.
- "HIDOE Price List No. E15-17" should be noted on orders and invoices issued against this price list.
- When revising orders, SFSM must remember to state "Revised" and date of revision on new order. Failure to do so may result in a duplicate order.
- SFSM should retain this price list for future reference to specific terms and conditions related to items purchased.

## DELIVERY AND ACCEPTANCE

Deliveries of all orders shall be completed within ten (10) business days after receipt of order. For orders received prior to ten (10) business days of requested delivery dates, Contractor shall deliver on the requested delivery date. Deliveries shall be made to the individual cafeterias at locations designated on the orders. The minimum order for delivery shall be FIFTY DOLLARS (\$50.00). The HIDOE reserves the right to include products from other price lists as well as non-bid items to meet this minimum order requirement. Orders totaling less than FIFTY DOLLARS (\$50.00) shall be made available on a "will call" basis within 24 hours after receipt of order. Delivery of orders totaling less than \$50.00 may be made at the Contractor's option and according to their delivery schedule. Contractor is required to deliver all items outstanding at the end of the award period if order was received during the award period.

Deliveries to HIDOE school cafeterias shall be made between 6:00 a.m. and 2:00 p.m. Deliveries shall be scheduled for at least two (2) non-consecutive business days per week per district or geographical area. (Note: Friday and Monday are considered "consecutive business days" since no business is transacted on Saturday and Sunday.) Upon the HIDOE's request, Contractor shall stack delivered cases in a previously-cleared storage area.

Cafeteria personnel should check accuracy of delivery (quantity and quality) prior to acceptance of delivery.

## PRODUCT QUALITY

Products furnished under this agreement shall be new and of the best quality of its respective kind. Product shall be free from defects that may render it unfit to use. Damaged or rejected products must be immediately removed from the site and immediately replaced with products of the quality required by the specifications. The HIDOE also reserves the right to reject any product with a short expiration period. Products shall meet all applicable federal and state regulations.

Failure to replace or to remove any rejected product shall not relieve the Contractor from the responsibility imposed upon it by the award. No payment, whether partial or final, shall be construed to be an acceptance of unacceptable products.

The HIDEOE may, at any time and by written order, stop the delivery of products not conforming to these specifications. Such stop order shall not relieve the Contractor of its obligation to complete its work within the award time limits, nor shall it in any way terminate, cancel, or abrogate the award or any part thereof.

#### **INVOICING**

Upon delivery of products, Contractor shall forward original and one (1) copy of the invoice directly to the HIDEOE cafeteria or participating State agency as listed on the order. Invoices shall include product descriptions exactly as stated on the HIDEOE price list. Invoices shall also include the general excise tax.

#### **FAILURE TO DELIVER**

Contractor shall be obliged to deliver products under this award in accordance with the terms and conditions stated herein. If a Contractor is unable to deliver because product is temporarily out of stock, it shall be the Contractor's responsibility to notify the ordering cafeteria or participating State agency of the shortages on the awarded items at least three (3) days before the requested delivery date. Contractor shall then obtain prior approval from the ordering cafeteria (or State agency) to deliver an acceptable substitute, at the same bid price and under the same terms and conditions of this award. It shall be the Contractor's responsibility to obtain such substitute. In the event a Contractor consistently needs to substitute or refuses to substitute products, the HIDEOE reserves the right to terminate the award and/or initiate the debarment process pursuant to Chapter 3-126, Legal and Contractual Remedies, HAR.

#### **VENDOR AND PRODUCT EVALUATION**

The School Food Services Branch will distribute SFSB Form 12, Evaluation of Goods and Services, to the School Food Service Managers with the issuance of the resulting price list.

Product Evaluation. Upon receipt of complaint, Contractor shall be notified of product quality. Contractor shall follow up with the manufacturer and respond to the HIDEOE, School Food Services Branch as to what remedies have or will be taken to correct the problem. If product quality is not corrected and the complaint(s) persist, steps will be taken to delete product from the price list.

Vendor Evaluation. In the event of complaints regarding Contractor's services (i.e. delivery delays, numerous out of stock, failure to notify manager of non-delivery, etc.) the HIDEOE, School Food Services Branch will notify the Contractor. Within one (1) week of notification, the Contractor shall take corrective measures to resolve the complaint, and inform the HIDEOE, School Food Services Branch of action taken. Should the Contractor consistently receive complaints for poor service or refuses to resolve the complaints, the HIDEOE reserves the right to terminate the agreement and/or initiate the debarment process pursuant to Chapter 3-125, HAR, Legal and Contractual Remedies. In the event the HIDEOE must terminate the agreement, the HIDEOE shall provide the Contractor thirty (30)-days written notice of termination.

#### **EXCEPTION FROM PRICE LIST**

If the price list product is not suited to a cafeteria's purpose, exception to purchase outside of this price list may be granted through the Procurement Office. To obtain approval, cafeterias must justify the exception on the HIDEOE Form 5, "*Request Exception From Purchasing From Price List*" and fax to the HIDEOE's Procurement Office. The approval must be obtained prior to purchase. The original Form 5 must be attached to payment documents.
