INFORMATION ON NASPO VALUEPOINT

The NASPO ValuePoint Cooperative Purchasing Organization is a multi-state contracting consortium of state governments, including local governments, of which the State of Hawaii is a member. NASPO ValuePoint Purchasing Organization seeks to achieve price discounts by combining the requirements of multi-state governmental agencies, and cost-effective and efficient acquisition of quality products and services.

The State of Idaho is the current lead agency and contract administrator for the NASPO ValuePoint Laboratory Equipment and Supplies contract. A request for competitive sealed proposals was issued on behalf of NASPO ValuePoint Cooperative Purchasing Organization and contracts were awarded to two qualified Contractors. The State of Hawaii has signed a Participating Addendum with both Contractors.

The Laboratory Equipment and Supplies contract provides full line catalog of laboratory equipment and supplies exclusive of items with a unit price, after discount, in excess of \$75,000 and equipment and supplies which may be included in a Contractor's catalog, but which are not specifically designed or intended for laboratory use (e.g. reception chairs, couches, coffee tables, general office equipment, etc.).
