Agenda Item I - Call to Order

Agenda Item II

Mr. Darryl Bardusch made a motion, seconded by Mr. Russ Saito, to approve the minutes of the June 19, 2008 meeting. The motion was unanimously carried.
Agenda Item III

Mr. Saito made a motion, seconded by Mr. Leslie Chinen nominating Vice-Chair Torres as Chair. The motion was unanimously carried. There being no other nominations, Ms. Torres was selected as Chair.

Mr. Saito made a motion, seconded by Mr. Bardusch to open nominations for a Vice Chair. The motion was unanimously carried.

Mr. Bardusch nominated himself to be Vice Chair. Mr. Chinen made a motion, seconded by Ms. Daryl Ann Ho to close the nomination and accept Mr. Bardusch as Vice-Chair. The motion was unanimously carried.

Agenda Item IV

Ms. Patricia Ohara, explained the proposed draft rules which, pursuant to the instructions of the Board at its prior meeting, was based on the Hawaii Procurement Institute/Mr. Bardusch version and included the comments of the SPO, Building Industry Association (BIA)/General Contractors Association (GCA), and Board of Water Supply (BWS). Various color representations were used in the draft to designate the different sources: black (current rules and agreed upon deletions); blue (agreed upon additions); highlighted portion (suggested changes by SPO); and green (suggested changes by BIA/GCA and BWS).

Mr. Inouye stated that the statutes address 4 methods of payment of price adjustments. If there is no agreement and it goes to the force account method, the statute is silent in regards to time and so BIA/GCA has addressed this issue in the proposed draft rules.

Mr. Aaron Fujioka noted that the language in sections 3-125-12(a)(1)(E)(i) and (ii) and 3-125-13(a)(1)(G)(i) and (ii) is the same language as in the statutes. As an SPO policy, the rules should not repeat language already in the statutes.

Mr. Saito made a motion, seconded by Mr. Bardusch, to adopt as interim rules the proposed HAR chapter 3-125, Modifications and Terminations of Contracts, including the proposed additions and deletions in black, blue, and green, with the following amendments: #1 - pages 1 and 2, §3-125-2(b)(2), create subparagraph (A) starting with “Any adjustment in contract price...”, create subparagraph (B) starting with “Failure of the parties to agree...”, delete “promptly (normally)”, amend 10 days to 14 days, and delete “and duly” and start a new paragraph starting with “The right of the contractor...”; #2 - page 5, §3-125-4(2), make the same changes as in 1) above; #3 - pages 7 and 8, §3-125-12(a)(1)(E), delete subsections (i) and (ii) and reference HRS §103D-501; #4 - pages 10 and 11, §3-125-13(1)(G), delete subsections (i) and (ii) and reference HRS §103D-501; and #5 - renumber the sections and subsections accordingly. The motion was unanimously carried.
Agenda Item Va

The board discussed the various exemptions and Mr. Matsumoto noted that the Hawaii State Public Library Systems (HSPLS) did not submit supporting testimony for item 1. Mr. Fujioka explained that a few months ago, HSPLS had submitted documentation supporting the continuation of that exemption and its response to Mr. Bardusch’s inquiry, and that it could be added to the “COMMENTS RECEIVED” column.

During the discussion, the board concluded that for exemption items #5, 7, and 9, it had insufficient information to determine whether the exemption items were necessary and would like the user agencies to provide more detailed information in support of the agencies’ position to retain the exemptions. Mr. Fujioka said he will send out notices to the user agencies requesting their attendance at a future board meeting to present their arguments.

Chair Torres called for a 5 minute break at 3:10 pm and the meeting was called back to order at 3:18 pm.

Mr. Matsumoto made a motion, seconded by Mr. Bardusch, to maintain the exemptions, modifying #3 by changing “individual” to “provider” and #16 changing “by” to “based on,” and requesting specific follow up by users to the board for #s 5, 7, and 9. The motion was unanimously carried.

Agenda Item Vb

Mr. Matsumoto made a motion, seconded by Mr. Bardusch, to adopt as interim rules the proposed amendments to HAR chapter 3-120, General Provisions, §3-120-4(e) to read, “The procurement policy board shall review Exhibit A annually or as frequently as needed for amendments.” The motion was unanimously carried.

Agenda Item VI

Mr. Saito clarified his comments made at the June 19, 2008 board meeting regarding Mr. Bardusch. Mr. Bardusch’s term has expired but he remains on the board as a carryover since he was filling in for and completing the term of former board member Mr. Rick Totten and has not served the maximum 8 years, whereas, Mr. Greg King, the former Chair, could not be held over because he had served the maximum 8 years. The nominating committee needs to be formed and 3 nominees for each position must be submitted to the Governor.

Mr. Fujioka announced that the next board meeting is tentatively scheduled for August 21, 2008 at 1:00 pm. He handed out a summary of legislative bills dealing with procurement. Two bills became Act 194 and 203, and should rules be needed, SPO will draft and present proposed rules to the board.
Chair Torres requested that the board address the issue of monthly meetings and the length of the meetings at the next board meeting.

Mr. Matsumoto requested that a summary of non-exhibit A exemptions of the DBEDT, HSDC, HTDC, HTIC and NELHA be provided and placed on the agenda at the next board meeting.

Agenda Item VII

Mr. Matsumoto made a motion, seconded by Mr. Bardusch, to adjourn the meeting. The motion was unanimously carried. The meeting was adjourned at 3:35 p.m.

Respectfully submitted,

8/12/08
