Delivery(ies) shall be completed within **90 calendar days** from date of receipt of the order or date on the order, whichever is later.

The Vendor shall contact the DOE or HSPLS agency at least two (2) working days prior to delivery for specific instructions. The DOE/HSPLS contact person and telephone number will be listed on the purchase order. Items shall not be delivered without prior notification.

**All orders issued for furniture for new facilities (e.g., new schools and/or new buildings) will be issued by the Auxiliary Services Branch. These orders will include the name and telephone number of a DOE Building Construction Inspector assigned to the project. The Contractor MUST contact the Construction Inspector at least five (5) working days prior to anticipated delivery to determine a mutually agreed upon delivery time and for specific instructions.**

Upon delivery, Contractor shall ensure that a delivery receipt indicating the IFB and Order number is signed and dated by the appropriate DOE/HSPLS employee. Items shall not be delivered without prior notification.

### **PRODUCT SUBSTITUTION**

In the event Vendor is unable to deliver items as ordered, Vendor shall be responsible for obtaining prior approval from the ordering school/office to deliver an acceptable substitute at the contract price. Delivery of substituted items shall be made in accordance with the terms and conditions of the contract.
