Who We Are

Chef Minute Meals, Inc. has been incorporated in the State of Delaware since February 25, 2010. CMM is located in Piney Flats, Tennessee; our USDA and FDA certified warehouse is operated by our staffing team of 10-25 employees. We are a proud supplier to the DLA /FEMA, State of Alabama, State of Connecticut, and State of Florida, along with many other para municipal organizations. Our mission is to provide high quality goods and services to Federal, State, and Local government that equals or surpasses the level of customer service and satisfaction provided by large corporations.

We have strict internal controls that promote transactional success at a high level. Federal, State, and Local governments rely on CMM and its partners to provide products and services through contract vehicles, including GSA Schedules, WSCA or State Contracts and other IDIQ vehicles.

Over the years, CMM has developed problematic inventory and logistic solutions by providing Inventory Management Programs and/or Vendor Managed Inventory options. We will work with your agency to customize a program that best suits your agency's needs.

Chef 5 Minute Meals

Chef Minute Meals provides shelf-stable, self-heating meals for distribution and maintains an inventory of up to 500,000 meals, ready to ship. We are committed to continued development of meal products that are valued for their high quality taste and excellent nutritional content. CMM also offers customizable meal kits ranging from a 72 hour bucket, to a full and/or half day meal kit. Our products are preservative and filler-free, and manufactured out of our facility located in Piney Flats, Tennessee; available 24/7 for Emergency Preparedness Service. Chef 5 Minute Meals have been featured on major network Emergency Preparedness Shows across America. Please refer to our Chef 5 Minute Meal PowerPoint attached herewith for further information on our company and products.
