PURPOSE

The HIDOE is implementing an Integrated Pest Management Program with the goal of utilizing pesticides only when needed to supplement non-chemical pest control methodologies. When pesticides are used, the lowest-risk effective products are to be used. This price list is for low-risk products such as baits (bait stations, bait gels, and granular baits) and traps (glue and mechanical) that can be safely utilized by school custodial staff who are not certified to use respirators and other equipment that may be necessary for application of other pesticide products.

The HIDOE intended to include multiple products for same or similar applications. This is to allow the HIDOE the opportunity to cycle the products used to prevent insects from building genetic tolerances.

All products are labeled for use in schools or institutions. Products do not have an U.S. Environmental Protection Agency (USEPA) Toxicity Category of 1 (Danger) nor are products USEPA "restricted use" products. All products have an USEPA registration number with the exception of "FIFRA exempt" products as defined under 40 CFR 152.25(f).

Product Label and Material Safety and Data Sheet (MSDS) are to be provided for each product. For products provided in bulk (e.g. multiple ant bait containers in one case), a label and MSDS must be provided for each container).

PRICES

Prices shall be inclusive of all costs, direct or indirect, and all applicable taxes, including the General Excise Tax (GET), as required for the fulfillment of the contract.

USE OF PRICE/VENDOR LIST

HIDOE schools and offices are mandated to purchase from this Price/Vendor List.

Departments/Agencies under the Executive jurisdiction may purchase their requirements from this price list at their option. Their contact information is as follows:

Department/Agency	Point of Contact	Phone
Executive Branch Agencies (Excludes HHSC and their Regional System Boards and Hospitals, OHA, and UH)	Stanton Mato	586-0566

If the price list is not suited to a school/office's purpose, exception to purchase outside of this price list may be granted by the HIDOE Procurement and Contracts Branch.

To obtain approval, schools/offices must justify the exception on the DOE Form 5, "*Request Exception From Purchasing From Price List*" and fax to the HIDOE's Procurement and Contracts Branch. The approval must be obtained prior to purchase. The original Form 5 must be attached to payment documents.

ORDERING PROCEDURES

During the contract period, Schools/offices should confirm with a vendor that the product and quantities needed will be available prior to issuing a purchase order for the exact quantity of each item required. Purchase orders shall include the school and/or office name and delivery address. "HIDOE Price List No. E16-18" should be noted on orders and invoices issued against this Price/Vendor list. The CONTRACTOR(s)

shall honor all orders received during the contract period, and shall deliver items according to the Price/Vendor list terms and within the required delivery time.

DELIVERY

Deliveries shall be made to the entity designated on the purchase order. CONTRACTOR is required to deliver all items outstanding at the end of the contract period if order was received during the contract period.

Delivery shall be made within six (6) weeks from issuance of purchase order.

INVOICING

Unless otherwise indicated on the purchase order, the vendor shall submit an **original** invoice to the school or office listed on the purchase order. Invoice shall include an itemized listing of dates of service and total price. In addition, "HIDOE Price List No. E16-18" should be noted on orders and invoices issued against this price list.

PAYMENT

Section 103-10, HRS, provides that the STATE shall have thirty (30) calendar days after receipt of an accepted invoice or satisfactory delivery of goods or performance of services to make payment.

VENDOR EVALUATION

Evaluation Form (HIDOE Form 12) is made available to purchases for the purpose of addressing their concerns related to this Price List.

VENDOR COMPLIANCE (TAX CLEARANCE)
