- Subsection (c)5 and (c)6. Deletes subsections for CPOs to consult with the administrator prior to approving an exemption and the requirement for the CPO to forward a copy of each exemption request to the administrator. Replaces with new subsection requiring CPOs to submit a report of exemption requests to the administrator within 60 days after the close of each fiscal year.  - (1) Providers are now able to print mailing labels. This may lead to an unfair advantage if providers print the mailing label on the date of the proposal submittal deadline, but complete and mail the proposal the next day;
 - (2) An incident occurred when a postal agent postmarked the proposal package, handed the package back to the sender, and the package was mailed the next day; and
