CAPABILITY STATEMENT

Reference to: Request for Information RFI-15-003

- Core Competencies:** Par Hawaii, Inc. and Par Hawaii Refining, LLC are wholly-owned subsidiaries of Texas-based Par Pacific Holdings, Inc. and headquartered on the island of Oahu in Hawaii. Par Hawaii, Inc. markets fuels through a network of Hele- and 76-branded retail locations throughout Hawaii, and distributes fuels via pipelines on Oahu and on barges to all major harbors in the state. Par Hawaii Refining, LLC operates the larger of two petroleum refineries in the state. Collectively, they are known as Par Hawaii, the leading supplier of transportation fuels in Hawaii serving the state's population of approximately 1.4 million residents and 8 million annual visitors. Par Hawaii plays a critical role in meeting the state's demand for jet and marine fuel while building on its legacy of investing in the local community.
- Past Performance:** Par Hawaii is a leading provider of petroleum fuels and products to the entire State of Hawaii. This scope extends to individual retail customers, marine vessels, State government, City operations, various Federal agencies and a multitude of commercial business throughout the islands.
- Differentiations:** Par Hawaii operates the state's largest petroleum refinery in Kapolei, Oahu that has a rated refining capacity of 94,000 barrels per day. Par Hawaii has comprehensive midstream and downstream expertise to distribute petroleum products through retail operations, bulk tanker transports, jobbers, self-service commercial card-locks, National Fleet Card programs and other commercial distribution channels.
- Corporate Info:** Additional information is available at www.parhawaii.com. Information regarding our parent organization may be viewed at www.parpacific.com.
