Records that were transferred from the old databases will be available to edit by any department user. Users will have to go to the search menu and search by department to find the notice that needs to be amended/edited. Once selected use the amend/edit button to make the appropriate changes.

## Notifications

Both HANDS and HlePRO notifications will display in the 'Notifications' list. (ex. HlePRO solicitation closed, HANDS announcement, etc)

## Out of Office

The out of office feature is only for HlePRO. You will need to choose a backup buyer to take over your solicitations, awards, and approvals while you are out of office.

### Change your status to 'Out of Office'

1. Go to: [hands.ehawaii.gov](http://hands.ehawaii.gov)
2. Login
3. Click 'In Office'
4. Find the back up buyer in the list and select 'Backup Buyer'
5. Select 'Back to Dashboard'

6. Logout

## Change your status to 'In Office'

1. Go to: [hands.ehawaii.gov](https://hands.ehawaii.gov)
2. Login
3. Click 'Out of Office'
4. Click 'Yes'
5. Logout

### Out of Office Functionality Notes:

- If an approver is out of office then the backup assigned within the HlePRO approval path will replace them until they are back in office BUT you must still choose a backup buyer that will take over all the user's HlePRO solicitations and awards while the user is out of office.
- If the approver does not have a backup assigned in the HlePRO approval path then the back up buyer that is chosen will be the approver for all solicitations and awards that require approval. The back up will also take over all the user's HlePRO solicitations and awards while the user is out of office.
- If the approver is an approver for multiple approval paths and some of the paths have backups assigned and some do not, when the user is out of office:
  - **Approval Paths with no backup assigned:** A backup must be chosen. That one backup will be the backup for all the approval paths that do not have backups assigned.
  - **Approval Paths with a backup assigned:** the assigned backup will be the approver for the approval paths they were assigned until the primary clicks 'Back in Office'
