STATE OF HAWAII - JUDICIARY PHYSICIAN'S CERTIFICATION FORM FOR SAFETY TOE SHOES

Background information: The JUDICIARY, "Employer" provides personal protective footwear (i.e. safety toe shoes) through a solicited price list contract to State employees who are required to wear safety toe shoes as identified by the employers' hazard assessment for foot protection (attached). The employee is required to wear personal protective footwear as determined by the employer. Your patient identified below is required to wear safety toe shoes and is requesting a deviation from the price list contract because of a medical condition. Please complete this certification form and identify what your patient is able to use to comply with the employer's requirements.
