GENERAL INFORMATION. This price list contract is issued on behalf of the State Comptroller, pursuant to HRS §1-28.5 shall determine a publication for all government agencies to enable the public to go one source of publication for published public notice on each island. As defined in HRS, “governmental agency” means each department, board, commission, or officer of the State or any of its political subdivisions.

This contract is for publication of legal, classified/employment and retail/display ads. Consequently, when a governmental agency decides to publish a public notice, employment ad or any other ad in the newspaper, they shall publish their notice or ad in the newspaper listed as the primary contractor for Kauai, Maui, Hawaii (West) and Hawaii (East).

PARTICIPATING JURISDICTIONS listed below **are required** to utilize this price list contract and place their notices (publication of legal, classified/employment and retail/display ads) in the primary newspaper for Oahu, Molokai and Lanai:

EXCEPTION TO THE PRICE LIST CONTRACT. An exception may be granted when the price list contract does not meet the purchasing agency's needs. For this purpose, Executive Branch Department Heads (or as delegated by the department head) are granted the authority to make the exception approval. This procedure will allow departments to make their own determination when not practicable or advantageous to use the contract vendor(s).

All approvals shall be made prior to purchase. Purchases made after-the-fact, without prior approval, shall be processed as procurement violations through form SPO-016.

Executive departments and participating jurisdictions may use form SPO-005, *SPO Price or Vendor List Contract Exception* as a template to record and file requests. Form SPO-005 may be edited to meet specific department needs. SPO forms are available on the SPO website at <http://spo.hawaii.gov>. Click on *Forms* at the home page.

When the price list contract is not used, HRS chapter 103D and the procurement rules apply to purchases by using the applicable method of procurement and its procedures, such as small purchases or competitive sealed bidding. The decision to use this contract or to solicit pricing from other sources is at the discretion of the participating jurisdiction.
