In accordance with [HRS §103D-702, Authority to debar or suspend, and HAR §3-126-12, Suspension](#), the following suspension has been extended by the Chief Procurement Officer (CPO) of the City & County of Honolulu pending completion of a formal investigation:

NOTICE OF SUSPENSION – HRS Chapter 103D		
Name of Person or Firm	Effective Date	Expiration Date
Watts Constructors LLC	11/03/18	2/04/2019

This suspension is in accordance with HRS §103D-702(b)(4) for deliberate failure without good cause to satisfactorily perform in accordance with terms of the contract. Therefore, bids or proposals will not be solicited and will not be considered for award from the person or firm during the suspension period pursuant to HRS chapter 103D. However, this suspension does not preclude eligibility for listing as a subcontractor on bid awards.

Pursuant to §103D-702(g), CPO shall make written determination on any contract awarded prior to the effective date of the suspension; consequently, contracts awarded to Watts Constructors LLC may remain in effect under applicable contract terms and conditions during the suspension period.

For Executive Departments, excluding DOE, UH, OHA and HHSC, existing contracts for Watts Constructors LLC shall remain in effect under applicable contract terms and conditions during the suspension period.
