## Company Overview

Interstate Hawaii is an emergency response restoration and general contractor company specializing in the repair of compromised government, commercial, and private property nationwide. We make coping with a disaster more manageable by providing one place for all of your emergency restoration, reconstruction, and property damage consulting needs.

Interstate Hawaii is locally owned and operated with corporate support. We have approximately 50 employees locally here in the state of Hawaii with over 200 employees nationwide. Collectively through the organization Interstate have over 20 years of experience. We provide services within the following business sectors:

- Government and Public Sectors
- Religious Institutions
- Health Care
- Commercial and Corporate Facilities
- Hotels and Resorts
- Schools and Universities
- Industrial and Manufacturing
- Property Management
- Insurance
- Restaurants
- Retail
- Banks and Financial Institutions

Please see attached our Snapshot of Services. For any questions please feel free to call your Regional Account Manager Anela Carlos at (808) 285-9712 or your 24 Hour Emergency Line at (808) 484-4095.
