User Package Revisions to Business All-in-One Pricelist

Dear Carey Ann Sasaki,

Hawaiian Telcom, Inc. would like to propose a change to the existing Business All-in-One (BAiO) pricelist on SPO Vendor List Contract No. 12-12. The change is to add a Yealink Hosted User Pro YL (T425) model and a Yealink Hosted User Conference YL (CP930W) model. The additions are to offer more economical options.

The enclosed Business All-in-One pricelist will replace the existing Business All-in-One pricelist. All other pricelists in SPO Vendor List Contract No. 12-12 remain as is.

Enclosed are the original and one copy of the new pricelist. Thank you for considering our proposal. If you have questions, please contact me at (808)546-4424.

Sincerely,

Brandon Onishi
Senior Manager - Government Sales
