INFORMATION ON NASPO VALUEPOINT

The NASPO ValuePoint Cooperative Purchasing Organization is a multi-state contracting consortium of state governments, including local governments, of which the State of Hawaii is a member. NASPO ValuePoint Purchasing Organization seeks to achieve price discounts by combining the requirements of multi-state governmental agencies, and cost-effective and efficient acquisition of quality products and services.

The State of Virginia is the current lead agency and contract administrator for the NASPO ValuePoint Unmanned Aerial System Services contract. A request for competitive sealed proposals was issued on behalf of NASPO ValuePoint Cooperative Purchasing Organization and contracts were awarded to twelve (12) qualified Contractors. The State of Hawaii has signed a Participating Addendum with four (4) Contractors.

The purpose of this contract is to provide service to the following categories: Emergency Support Services, Law Enforcement Support Services, Aerial Inspection or Data Mapping Services, Agricultural and Gaming Support Services and Agency Media Relations and Marketing Services.

For additional information on this contract, visit the NASPO ValuePoint website at <https://www.naspovaluepoint.org/portfolio/unmanned-aerial-vehicle-drone-services-2019-2024/>.

USE OF PRICE & VENDOR LIST CONTRACTS BY NONPROFIT ORGANIZATIONS. Pursuant to HRS §103D-804, nonprofit organizations with current purchase of service contracts (HRS chapter 103F) have been invited to participate in the SPO price & vendor lists contracts.

A listing of these nonprofit organizations is available at the SPO website: <http://spo.hawaii.gov>. Click on *For Vendors > Non-Profits > Cooperative Purchasing Program > View the list of qualifying nonprofits eligible to participate in cooperative purchasing.*

If a nonprofit wishes to purchase from a SPO price or vendor list contract, the nonprofit must obtain approval from each Contractor, i.e., participation must be mutually agreed upon. A Contractor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and Contractor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a SPO price or vendor list Contractor(s).

VENDORS. The following vendors are authorized to provide services in one or more of the following categories: Emergency Support Services, Law Enforcement Support Services, Aerial Inspection or Data Mapping Services, Agricultural and Gaming Support Services and Agency Media Relations and Marketing Services. They have signed a Master Agreement with the State of Virginia and a Participating Addendum with the Hawaii State Procurement Office.

Avion Solutions, Inc DroneUp, LLC Elevate UAS LLC ERUdyne, Inc

VENDOR CODES for annotation on purchase orders are obtainable from the *Alphabetical Vendor Edit Table* available at your department's fiscal office. Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.

COMPLIANCE PURSUANT TO HRS §103D-310(c). Prior to awarding this contract, the SPO verified compliance of the Contractor(s) named in the SPO Price List Contract No. 20-08. *No further compliance verification is required prior to issuing a contract, purchase order, or pCard payment when utilizing this contract.*

PURCHASING CARD (pCard). The State of Hawaii Purchasing Card (pCard) is required to be used by the Executive departments/agencies, excluding DOE, HHSC, OHA and UH for orders totaling less than \$2,500. For purchases of \$2,500 or more, agencies may use the pCard, subject to its credit limit, or issue a purchase order.

PURCHASE ORDERS may be issued for purchases \$2,500 or more, and for Contractors who either do not accept the pCard, set minimum order requirements before accepting the pCard for payment, or charge its customers a transaction fee for the usage.

“SPO PL CONTRACT NO. 20-08 & NASPO VALUEPOINT MASTER AGREEMENT NO. E194-79435.” shall be typed on purchase orders issued against this price list contract. For pCard purchases, the SPO PL Contract No. 20-08 and Master Agreement No. E194-79435 shall be notated on the appropriate transaction document.

STATE GENERAL EXCISE TAX (GET) AND COUNTY SURCHARGE shall not exceed the following rates if seller elects to pass on the charges to its customers.

COUNTY	COUNTY SURCHARGE TAX RATE	STATE GET	MAX PASS-ON TAX RATE	EXPIRATION DATE OF SURCHARGE TAX RATE
C&C OF HONOLULU	0.50%	4.0%	4.7120%	12/31/2030
HAWAII	0.50%	4.0%	4.47120%	12/31/2030
COUNTY OF MAUI (including Molokai and Lanai)	0.0%	4.0%	4.1666%	No county surcharge
KAUAI	0.50%	4.0%	4.7120%	12/31/2030

The GET or use tax and county surcharge may be added to the invoice as a separate line item and shall not exceed the current max pass-on tax rate(s) for each island.

County surcharges on state general excise (GE) tax or Use tax may be visibly passed on but is not required. For more information on county surcharges and the max pass-on tax rate, please visit the Department of Taxation's website at <http://tax.hawaii.gov/geninfo/countysurcharge>.

PAYMENTS are to be made to the Contractor(s) remittance address. HRS §103-10 provides that the State shall have thirty (30) calendar days after receipt of invoice or satisfactory completion of contract to make payment. Payments may also be made via pCard.

The Contractor shall provide support for a variety of missions within the below defined Service Categories. The missions will be defined and coordinated between the Purchasing Department and the Contractor. The requested missions may require additional analysis or support to assist with the completion of the mission and will be coordinated between the Purchasing Department and the Contractor.

A. Emergency Support Services

- a. Emergency responses will fall within three (3) categories of response.
 - i. Rapid response times shall be responses to emergency situations required within 1 to 4 hours or as quickly as possible.
 - ii. Priority response times shall be responses to emergency situations required within 24 hours or potentially more quickly.
 - iii. Routine response times shall be responses to emergencies, which shall normally occur within 72 hours.
- b. These response hours may vary based on the specific situation and required missions and should be discussed by the Contractor and Purchasing Department.
- c. Active natural disaster support missions:
 - i. Active natural disaster support missions will involve active natural disasters as identified and declared by the Purchasing Department.
 - ii. Supporting these missions may require extended personnel support and may involve a greater degree of difficulty and danger posed to all personnel involved.
 - iii. These natural disasters may include but are not limited to:
 1. Forest fires
 2. Floods
 3. Avalanche
 4. Hurricane
 5. Earthquake
 6. Tornado
 7. Drought
 8. Nuclear emission events
 - iv. Natural disaster support services may also help bring situational awareness to First Responders and Disaster Relief teams actively working on the ground. Situational awareness may be coordinated efforts between the Purchasing Department and the Contractor to warn those on the ground of potential hazards or threats that may be out of their immediate line of sight.
 - v. Contractors may also be requested by Purchasing Department to provide post disaster relief and evaluation support services. This may involve the collection of photographs, videos, or other data in order to assess relief efforts or evaluate a disaster's effects on the area.

- vi. These missions may require specialized equipment in order to support the mission of the Purchasing Department. Specialized equipment which may be requested includes but not limited to:
 - 1. High definition cameras and video recording devices
 - 2. Radiation detection devices
 - 3. Aerial sonar devices
 - 4. Infrared and heat detection devices
 - 5. Night vision apparatus
 - d. Active firefighting support missions:
 - i. These missions may involve supporting local fire departments during an active fire. These fires may be in a building, vehicle, boat, or any other location that a fire may occur and be actively burning.
 - ii. Contractors shall work closely with, and solely under the direction of, local fire departments to provide aerial pictures and video to help direct efforts of fire personnel to extinguish the fire.
 - iii. These missions may require specialized equipment in order to support the mission of the Purchasing Department. Specialized equipment which may be requested includes but not limited to:
 - 1. High definition cameras and video recording devices
 - 2. Infrared and heat detection devices
- B. Law Enforcement Support Services
- a. In order to support law enforcement agencies, Contractors may be required to provide background checks on all employees assigned to work on missions. The Contractors shall keep and maintain a list of current employees with current background checks eligible to work on law enforcement missions. The Contractors shall refer to Purchasing Department's order for guidance on what is required to support law enforcement missions.
 - b. These missions may vary greatly as requested by the law enforcement agencies to include but not limited to:
 - i. Surveillance
 - ii. Reconnaissance
 - iii. Accident support
 - iv. Accident recreation support
 - v. Search and Rescue
 - c. These missions may be highly sensitive in nature and may require the Contractor to sign a Non-Disclosure Agreement, or other legally binding agreements, as their support may directly impact an ongoing investigation.
 - d. It will be the responsibility of the requesting law enforcement agency to comply with all federal, state, and/or local laws with regard to the use of Unmanned Aerial Vehicles in support of law enforcement missions. Law enforcement agencies will not request the Contractor to violate any parts of 14 CFR Part 107, which may compromise the Contractor's ability to maintain the required FAA licenses.

- e. Contractors shall not be held responsible for performing missions under the direction of law enforcement officials if those missions are deemed to have violated federal, state, or local laws. The Contractor shall not violate any part of 14 CFR Part 107 in order to support law enforcement operations without written permission from the FAA. The Contractor must notify the requesting law enforcement agency, in writing, if they are asked to perform a mission they know will violate 14 CFR Part 107 without permission from the FAA.
 - f. These missions may require specialized equipment in order to support the mission of the Authorized User. Specialized equipment which may be requested includes but not limited to:
 - i. High definition cameras and video recording devices
 - ii. Infrared and heat detection devices
 - iii. Thermal imaging cameras
 - iv. Night vision cameras
 - v. Radiation detection devices
 - g. Search and rescue missions are typically but not exclusively initiated by local law enforcement. These missions are often highly sensitive and urgent in nature. They often involve the following:
 - i. Search and rescue missions will involve assisting an Purchasing Department with the location of lost or missing persons.
 - ii. These missions may involve a variety of terrains, weather patterns, times of day, or cover a large geographic location, in an attempt to help locate and rescue missing or lost persons.
 - iii. These missions may require specialized equipment in order to support the mission of the requesting public body. Specialized equipment which may be requested includes but not limited to:
 - 1. High definition cameras and video recording devices
 - 2. Infrared cameras
 - 3. Thermal imaging cameras
 - 4. Night vision cameras
 - 5. Radiation detection devices
- C. Aerial Inspection or Mapping Data Services
- a. These services are to the extent permitted by relevant State and local law.
 - b. Aerial Mapping Missions: To the extent legally permissible, the flyover and delivery of data files showing selected geographical features. Contractor should describe the features, standards, and methods of services it can provide, and any specialized equipment that can be provided, such as high definition cameras, video recording devices, or aerial Lidar imaging equipment.
