USE OF PRICE & VENDOR LIST CONTRACTS BY NONPROFIT ORGANIZATIONS. Pursuant to HRS §103D-804, nonprofit organizations with current purchase of service contracts (HRS chapter 103F) have been invited to participate in the SPO price & vendor lists contracts.

A listing of these nonprofit organizations is available at the SPO website: <http://spo.hawaii.gov>. Click on *For Vendors > Non-Profits > Cooperative Purchasing Program > View the list of qualifying nonprofits eligible to participate in cooperative purchasing.*

If a nonprofit wishes to purchase from a SPO price or vendor list contract, the nonprofit must obtain approval from each Contractor, i.e., participation must be mutually agreed upon. A Contractor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and Contractor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a SPO price or vendor list Contractor(s).

CONTRACTORS. The authorized contractors are listed in this price list contract. They have signed a Master Agreement with the State of Virginia and a Participating Addendum with the Hawaii State Procurement Office.

The Toro Company

VENDOR CODES for annotation on purchase orders are obtainable from the *Alphabetical Vendor Edit Table* available at your department's fiscal office. Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.

COMPLIANCE PURSUANT TO HRS §103D-310(c). Prior to awarding this contract, the SPO verified compliance of the Contractor(s) named in the SPO Price List Contract No. 20-21. *No further compliance verification is required prior to issuing a contract, purchase order, or pCard payment when utilizing this contract.*

PURCHASING CARD (pCard). The State of Hawaii Purchasing Card (pCard) is required to be used by the Executive departments/agencies, excluding DOE, HHSC, OHA and UH for orders totaling less than \$2,500. For purchases of \$2,500 or more, agencies may use the pCard, subject to its credit limit, or issue a purchase order.

PURCHASE ORDERS may be issued for purchases \$2,500 or more, and for Contractors who either do not accept the pCard, set minimum order requirements before accepting the pCard for payment, or charge its customers a transaction fee for the usage.

SPO PL CONTRACT NO. 20-21 & NASPO VALUEPOINT MASTER AGREEMENT NUMBER E194-81037 shall be typed on purchase orders issued against this price list contract. For pCard purchases, the SPO PL Contract No. 20-21 and the NASPO ValuePoint Master Agreement Number E194-81037 shall be notated on the appropriate transaction document.

STATE GENERAL EXCISE TAX (GET) AND COUNTY SURCHARGE shall not exceed the following rates if seller elects to pass on the charges to its customers.

COUNTY	COUNTY SURCHARGE TAX RATE	STATE GET	MAX PASS-ON TAX RATE	EXPIRATION DATE OF SURCHARGE TAX RATE
C&C OF HONOLULU	0.50%	4.0%	4.7120%	12/31/2030
HAWAII	0.50%	4.0%	4.7120%	12/31/2030
COUNTY OF MAUI (including Molokai and Lanai)	0.0%	4.0%	4.1666%	No county surcharge
KAUAI	0.50%	4.0%	4.7120%	12/31/2030

The GET or use tax and county surcharge may be added to the invoice as a separate line item and shall not exceed the current max pass-on tax rate(s) for each island.

County surcharges on state general excise (GE) tax or Use tax may be visibly passed on but is not required. For more information on county surcharges and the max pass-on tax rate, please visit the Department of Taxation's website at <http://tax.hawaii.gov/geninfo/countysurcharge>.

PAYMENTS are to be made to the Contractor(s) remittance address. HRS §103-10 provides that the State shall have thirty (30) calendar days after receipt of invoice or satisfactory completion of contract to make payment. Payments may also be made via pCard.

LEASE AGREEMENTS are not allowed under this contract.

HOT LIST PROGRAM – Contractor’s list of discontinued, liquidated close-out or discontinued equipment or products. The list may include promotional prices.

EQUIPMENT

1. Equipment offered under the Contract shall be new and current models with the exception of any products offered on a Contractor’s Hot List. All equipment shall comply with any current applicable safety or regulatory standards or codes.
2. Contractor may request to delete products as needed and add new products as soon as they are available to dealers/distributors so there is no delay in products being readily available to purchasing department. All requests must be approved by the procurement officer.
3. Contractor must immediately notify the purchasing department when they order an obsolete or out of stock product and of any equivalent substitutes. Substitutions are not permitted unless agreed upon in writing by the purchasing department and must be at the same or increased discount of percentage based on the contract award.
4. Contractor shall provide with equipment, an operations and maintenance manual with wiring diagrams and parts list. The manual may be in electronic format.
5. Grounds Maintenance Equipment is **not** considered to include the following:
 - a. Heavy construction equipment
 - b. Skid steers or mini-excavators
 - c. Trailers
 - d. Aerial lifts or bucket trucks
6. Non-contract or allied equipment will be permitted to be procured at the same time as contract equipment to allow for the contract equipment to operate within safety guidelines (e.g., federal, state, agency) or to function as needed. The addition of the non-contract or allied equipment will complete or enhance the operation or provide an additional level of safe operation of the contract equipment. Non-contract or allied equipment are considered to be products, implements, attachments, parts, and bundles not manufactured by the Contractor but in some instances branded by the Contractor.

The following are typical examples of these procurements:

- a. Agency purchasing a contracted base model unit wants a service parts package to take care of the first required oil change on the unit.
- b. Agency needs to purchase a John Deere tractor with an implement for specialty mowing purposes such as a non-contract/Allied “over the guard rail” boom mower.
- c. Agency needs to purchase a John Deere tractor for roadside mowing with the tractor tires filled with non-contract/Allied fluid as a ballasting agent in order to maintain stability when performing hillside mowing.
- d. Agency has a requirement for mounted non-contract/Allied lighting packages on equipment for safety and visibility purposes.
7. Non-contract/allied equipment as defined above may be included on a purchase order as long as the equipment is related to and compatible with the contract equipment being purchased. Stand-alone non-contract/allied equipment purchases shall not be permitted.

8. Non-contract/allied equipment must be specified on the purchase order as “non-contract” items.
9. Contractor confirms that to the extent non-contract/allied equipment is included on a purchase order with contract equipment, the Contractor will not void any applicable equipment warranty(ies), provided that the following conditions are met:
 - a. Non-contract/allied equipment is properly mounted or installed by an authorized dealer/distributor or other installer approved by the Contractor;
 - b. Any warranty claim for contract equipment is warrantable under the terms and limitations of the applicable Contractor’s product warranty(ies); and
 - c. The Authorized User provides supporting documentation upon request by the Contractor for verification of warranty claim.

WARRANTY. All warranty work performed and parts/materials supplied shall meet OEM warranty requirements. Equivalent substitutions must be approved by the purchasing department contact person prior to installation. Warranty work performed not meeting specifications or found to be defective and shall not be accepted. The Contractor shall be required to make repairs or corrections at no additional cost to the purchasing department.

All equipment warranties shall start on the date the equipment is accepted by the purchasing department and shall be for the full term as stated in the warranty. Before actual warranty work begins, ownership of the equipment shall be established to ensure the equipment in need of repair belongs to the Authorized User requesting the service. The following information shall be provided in order to determine ownership of the equipment:

- Name of Authorized User, if applicable
- Make, Model, and VIN of equipment
- Control number/inventory number of purchasing department

Repairs made that are covered by a warranty shall not be paid for by the purchasing department. The Contractor shall furnish all necessary supervision, labor, equipment, tools, parts, materials, and supplies needed for the warranty repair work. All persons utilized in the performance of any resulting contract shall be employees of the Contractor and be fully qualified to perform the warranty work required. Warranty work shall be performed by certified or trained or authorized service technicians.

Equipment that will remain in the Contractor’s possession overnight and for extended periods shall be stored in a safe and secure location for protection from theft and environmental dangers. The Contractor shall be responsible for the proper care and custody of any state owned equipment in the Contractor’s possession.

TRANSPORTATION CHARGES

Freight. Freight is FOB from the OEM to the dealer network locations within the contiguous United States or to the nearest port of embarkation for all Participating Entities outside of the contiguous United States. Orders for less than the minimum order of \$500 will be shipped prepaid and added to the invoice. Contractor shall not add freight charges for partial shipments or back orders to an invoice where the original total price of an order exceeded the minimum order of \$500. Contractor shall provide delivery costs policy guidelines for your dealers, whether it is a set rate per loaded mile or if the dealer is allowed to set the rate.

Delivery and Set-up Fees. Delivery and set-up fees may be an optional charge from the dealer to the purchasing department and shall be prepaid and added to the invoice. If a delivery fee is charged, it may be by loaded mile based on Google Maps or a dealer set fee. Delivery and set-up fee charges must be annotated on the quote/invoice as a separate line item. The purchasing department reserves the right to pickup equipment at no charge.

All equipment shall be delivered assembled, serviced, oiled and ready for immediate use, unless otherwise requested by the purchasing department. Liability for product delivery remains with the Contractor until delivered and accepted. Damaged or non-operational equipment or products may be rejected. If the damage is not detectable or readily apparent at the time of delivery, Contractor must allow equipment to be returned within a reasonable time at no cost to the purchasing department. The purchasing department reserves the right to inspect all equipment upon delivery or within a reasonable time after delivery if inspection could not be performed upon delivery. Contractor must make arrangements for the return of damaged equipment at no cost to the purchasing department.

Delivery shall be made in accordance with instructions on the purchase order from each purchasing department. The Contractor shall seek clarification from the purchasing department if there is a discrepancy between the purchase order and what is listed on the contract.

RETURNS. Products may be exchanged for credit in compliance with the Contractor's published return goods policy. This policy may include a restocking fee.

TRADE-IN. The purchasing department and Contractor may negotiate trade-in allowances.

PARTS AND SERVICING are not included as part of this contract. Use applicable procurement method.

ORDERS shall be issued on an as-needed basis during the contract period. To the extent possible Departments/Agencies shall consolidate orders to maximize discounts and minimize shipping costs. The Contractor shall notify the Department/Agency with an expected delivery date after receipt of order. The Contractor shall honor all orders received during the contract period and deliver according to the contract terms and within the specified delivery time. Contractor is not obligated to accept any order received after the price list expiration date. At time of order, agencies shall include the following:

- (1) The services or supplies being delivered;
- (2) The place and requested time of delivery;
- (3) A billing address;
- (4) The name, phone number, and address of the Purchasing Entity representative;
- (5) The price per hour or other pricing elements consistent with this Master Agreement and the contractor's proposal;
- (6) A ceiling amount of the order for services being ordered; and
- (7) The Master Agreement identifier.

DELIVERIES. Delivery and set-up fees may be an optional charge from the dealer to the purchasing department and shall be prepaid and added to the invoice. If a delivery fee is charged, it may be by loaded mile based on Google Maps or a dealer set fee. Delivery and set-up fee charges must be annotated on the quote/invoice as a separate line item. The purchasing department reserves the right to pickup equipment at no charge.

All equipment shall be delivered assembled, serviced, oiled and ready for immediate use, unless otherwise requested by the purchasing department. Liability for product delivery remains with the Contractor until delivered and accepted. Damaged or nonoperational equipment or products may be rejected. If the damage is not detectible or readily apparent at the time of delivery, Contractor must allow equipment to be returned within a reasonable time at no cost to the purchasing department. The purchasing department reserves the right to inspect all equipment upon delivery or within a reasonable time after delivery if inspection could not be performed upon delivery. Contractor must make arrangements for the return of damaged equipment at no cost to the purchasing department.

Delivery shall be made in accordance with instructions on the purchase order from each purchasing department. The Contractor shall seek clarification from the purchasing department if there is a discrepancy between the purchase order and what is listed on the contract.
