GENERAL INFORMATION. This is a price and vendor list contract to allow agencies to purchase items from the Core List (hereinafter "Price List") attached, or, for items not available on the Price List, from the vendors listed on the *Vendor List Instructions*. Agencies using the vendor list are required to obtain a minimum number of quotes. Refer to the *Vendor List Instructions* herein.

ORDERING INSTRUCTIONS.

UNIT PRICES include delivery to destination and all other costs except the State General Excise Tax (GET) and county surcharge, currently 4.5% for transactions made on the islands of Oahu, Kauai and Hawaii, and 4% for transactions made on the islands of Maui, Molokai and Lanai. Agencies are advised to add the tax amount to their purchase order total. GET and county surcharge shall not be applied to delivery charges.

ORDERING on a timely basis is the responsibility of each agency. Orders shall be issued on an as-needed basis during the price and vendor list contract period, and will use either the pCard or purchase order when placing order(s). Contractors are not obligated to accept any order received after the contract expiration date, however, Contractors shall fill timely orders for which delivery may extend beyond the expiration date. Agencies shall not issue purchase orders specifying delivery after the price and vendor list contract expiration date. At time of

order, agencies shall specify where their order is to be delivered. When requested by the Contractor, ordering agencies shall provide information regarding the delivery locations special access conditions. This includes security, platforms, steps, curbs, and accessible ramp way or doorway widths to navigate, if the items are to be brought up or down any flight(s) of stairs and if no elevator is available. Agencies should not cancel special orders.

DELIVERIES. The Contractor shall contact the appropriate agency to coordinate delivery arrangements.

On-Island Deliveries (agency and Contractor's warehouse located on the same island).

In-Stock items: ordering agencies shall have the option of having in-stock items available for pick up on a will-call basis within three (3) business days from receipt of order or, for orders totaling \$25.00 or more (excluding GET), having the in-stock items delivered to an office location on that island, within five (5) business days. Deliveries on orders totaling less than \$25.00 (excluding GET) will be at the option of the Contractor.

Non-Stocked items: ordering agencies shall have the option of having the non-stocked items available for pick up on a will-call basis within twenty five (25) business days from receipt of order or, for orders totaling \$25.00 or more (excluding GET), having the non-stocked items delivered to an office location on that island, within thirty (30) business days. Deliveries on orders totaling less than \$25.00 (excluding GET) will be at the option of the Contractor.

Off-Island Deliveries (agency and Contractor's warehouse not located on the same island).

In-Stock items: ordering agencies shall have in-stock items delivered to the address specified on their order within fifteen (15) business days from receipt of order. Should the Contractor have a retail or wholesale business located on the same island as the ordering agency, agencies located on that island shall have the option of having in-stock items available for pick up on a will-call basis within five (5) business days from receipt of order.

Non-Stocked items: ordering agencies shall have non-stocked items delivered to the address specified on their order within thirty five (35) business days from receipt of order. Should the Contractor have a retail or wholesale business located on the same island as the ordering agency, agencies located on that island shall have the option of having non-stocked items available for pick up on a will-call basis within thirty (30) business days from receipt of order.

Shipping Charges for off-island delivery, if any, may be added as a separate line item. GET shall not be applied to delivery charges. Contractor shall notify the ordering agency of the exact amount that will be charged for shipping. Contractor shall not charge shipping charges without first obtaining approval from the ordering agency. Shipping charges shall be on the same invoice as the goods. Vendors have established a dollar level needed on orders to obtain delivery of goods at no cost.

Contractor may quote ordering agencies an estimated shipping charge. Once the order is processed, Contractor will notify and obtain approval from ordering agency to charge actual shipping costs. Agencies are discouraged from cancelling an order based on the cost of freight as long as the actual shipping charges do not exceed estimated shipping charges by more than \$8.00.

Dollar Levels To Obtain Free Shipping:

Conrad Enterprises: n/a

EDP:	n/a
Hawaii Stationery:	\$15,000.00
Office Depot:	\$150.00 for Lanai and Molokai*
TIG:	\$0

*Office Depot: In the event the value of the order is less than \$150.00 and it is being delivered to Molokai or Lanai, there will be a Small Order Fee of \$65.00 which shall be added to the invoice as a separate line item.

Recycled Office Paper. Orders for recycled office paper may require alternate arrangements for staggered delivery dates to accommodate large orders. For example, when there is only stairway access for delivery to another floor, only ten (10) cases of paper should be furnished in a day to that site. For delivery locations with no elevator, the vendor will deliver the paper to a first floor location. For delivery locations with an elevator, Contractor shall deliver to the ordering agency's requested location. It is the responsibility of the Contractor to ensure that all items are ultimately delivered to the designated areas and unloaded.

RE-STOCKING FEE. The flat rate re-stocking fee may be assessed to the agencies for orders placed and delivered, but for other than defective reasons are being returned or exchanged subject to the following conditions:

- A. Fee Assessment shall apply per incident, not per line item or quantity
- B. Fee assessment shall not apply if erroneous delivery of items is due to typographical error, regardless of fault. It shall be vendor's responsibility to verify that each item's branch, description and ordering number match before delivering item(s) to agency.

Fees:	Conrad Enterprises:	\$50.00/incident
	EDP:	\$45.00/incident
	Hawaii Stationery:	\$25.00/incident
	Office Depot:	None (if item is stocked on Oahu)

INSPECTION. Any products, damaged, defective or spoiled, should not be accepted by the ordering agency and the Contractor shall be responsible for replacement. Agencies are advised to inspect merchandise delivered immediately upon receipt and report any discrepancies to the Contractor within five (5) working days from delivery date.

Agencies should be alert of any scams where orders are falsely placed. All need to be vigilant in verifying the accuracy of each order being placed and received. If there is any suspicion of goods being delivered without proper documentation of the goods being ordered, please contact the State Procurement Office to report your findings.
