

1. CORE COMPETENCIES

Sunbelt Rentals, Inc. provides reliable, high quality rental equipment to any customer location requested. Additionally, we service our equipment as needed, replacing any downed equipment promptly so customer work flow will not be impeded. In addition to General Tool rentals, Sunbelt also has specialty divisions that serve distinct customer markets requiring a high level of expertise and immediate response requirements.

1. PAST PERFORMANCE

Sunbelt's fleet of \$9 billion allows us to provide equipment rentals to a wide range of customers. We currently supply equipment to federal, state and local governments (including all five branches of the military). Sunbelt also provides equipment to large and small businesses as well as private residences here in Hawaii specializing in general construction equipment e.g. generators, compressors, support vehicles, earth moving, material handling, demolition, man-lifts/work platforms, lighting, surface prep, masonry, MEP, climate control, abatement, etc.

2. DIFFERENTIATORS

Sunbelt Rentals, Inc. and its affiliates ("Sunbelt") are equipment rental companies that specialize in the broadest range of rental equipment in the industry. The Sunbelt Promise ensures availability, reliability and ease. We also have a dedicated training staff and regionally positioned training personnel to ensure our employees are safe, knowledgeable and provide superior customer service. In addition, our Customer Service 800 numbers put our customers in touch with a live customer service representative 24/7 for the specialty needed. Our dedicated Account Managers will work with customer to determine the most effective and efficient ways to provide rental equipment to optimize your work flow. We have various online tools to assist customer in managing equipment on rent at any jobsite which provides the customer cost savings by being able to monitor and control all equipment usage at any time.

3. CORPORATE DATA
