The NASPO ValuePoint Cooperative Purchasing Organization is a multi-state contracting consortium of state governments, including local governments, of which the State of Hawaii is a member. The NASPO ValuePoint Purchasing Organization seeks to achieve price discounts by combining the requirements of multi-state governmental agencies, and cost-effective and efficient acquisition of quality products and services.

The State of Washington is the current lead agency and contract administrator for the NASPO ValuePoint Electronic Monitoring of Offenders contract. A request for competitive sealed proposals was issued on behalf of NASPO ValuePoint Cooperative Purchasing Organization, LLC, and contracts were awarded to five qualified Contractors. The State of Hawaii has signed a Participating Addendum with three (3) Contractors.

The purpose of this contract is the purchase of vendor-provided equipment and services for the monitoring of offenders through Radio Frequency (RF) electronic monitoring, alcohol monitoring, transdermal alcohol monitoring, and satellite monitoring and remote tracking service (GPS), (for both one-piece body-attached device and multi-piece device systems). Contracts may be established with one or more vendors for each of these monitoring services and may be modified as necessary to add new technology or enhancements to existing equipment/services available from the contract vendor.
