### What is the Small Business Initiative?

The small business initiative was established to ensure that small businesses, including businesses owned by veterans, native Hawaiians, and women, are able to effectively participate in contracting opportunities with State of Hawaii government agencies. ### How to Register

1. Verify that your business meets the [size standards for a small business](#) established by the Small Business Administration.
2. Create an eHawaii.gov Account. Watch the [Create Account](#) video to learn how.

# Welcome to Hawaii Compliance Express

HCE saves you time and hassle by providing an online "Certificate of Compliance" for your business

Compliance status updates may be delayed due to COVID-19 safety issues. We appreciate your patience and apologize for any inconvenience this may cause.

## What is Hawaii Compliance Express?

Hawaii Compliance Express (HCE) is an electronic system that provides vendors, contractors and service providers doing business with state or county agencies to quickly and easily document that they are compliant with applicable laws. HCE expedites your ability to furnish proof of compliance with the requirements of [103D-310\(c\), HRS](#).

This single certificate eliminates the need to obtain individual copies of clearances with the following agencies:

- Internal Revenue Service (IRS) - Form 8821
- Department of Labor & Industrial Relations (DLIR) - Form LIR27
- Department of Commerce and Consumer Affairs (DCCA) - Form COGS
- Department of Taxation (DOTAX) - Form A-6

Under Hawaii law, you must provide proof of compliance in order to receive a contract worth \$2,500 or more with state and county government entities in Hawaii.

## “What do I need to register in HCE”

If you are a vendor, you will need:

- Taxpayer Identification Number (FEIN or SSN)
- Hawaii Tax ID # *if applicable*
- Unemployment Insurance ID (UI ID #) *if applicable*
- Valid credit card for the \$12 annual fee

## “What is included with my HCE Registration”

### What's included with my HCE registration?

- ✓ Registered HCE vendors receive a full year of service
- ✓ Automatic submission of information to pertinent government certifying agencies
- ✓ Automatic e-mail notification of status changes
- ✓ Unlimited access by state and county government entities to print the certificate for their use

### PRICE & VENDOR LIST CONTRACTS

The SPO procures and manages price list and vendor list contracts on behalf of Executive branch agencies, and any of the other twenty chief procurement officer (CPO) jurisdictions, including the Judiciary and the Legislative branches and the counties that commit to participate in the contracts issued by the SPO.

Participating jurisdictions and agencies benefit by obtaining price discounts and other leveraged concessions through volume purchases. In addition there are the efficiency savings – the administrative, procurement and contract management realized by each agency or jurisdiction, rather than having to solicit individual contracts, resulting in multiple contracts for the same commodity or service. Instead these processes are managed by the SPO, and all participating jurisdictions and agencies are the beneficiaries of cooperative purchasing.

**NOTE: ALL SPO PRICE & VENDOR LIST CONTRACTS ARE FOR AUTHORIZED BUSINESS USE ONLY**

# Contractor Responsibility Guidance (SPO-080 form)

## “Know your Contractor Responsibilities during COVID-19”

**Memorandum for Record (MFR)**  
**Contractor Responsibility Guidance in COVID19**

Declared Disaster Name and Identification Number: _____	
Buyer Name (Print): _____	Department: _____
Solicitation No.: _____	P. O. #: _____
Vendor Name: _____	Date: _____

**1. First check Hawaii Compliance Express (HCE) at**  
<https://vendors.ehawaii.gov/hce/splash/welcome.html>

Per the Governor’s Declaration, only COVID-related procurements are exempt from the Procurement Code. However! We have confirmation that the IRS Local office has closed and that the two positions inside of IRS that cover HCE compliance are not working this area indefinitely. There are four possible scenarios:

- A. If Vendor is compliant, print HCE compliance document for the procurement package. Best practice includes checks from Step 2 – SPO recommends considering these resources also for the procurement package.
- B. If Vendor is non-compliant, where the HCE certificate shows IRS as “Not Compliant” but still compliant with DCCA, DLIR and DOTAX, still print to notate and go to Step 2.
- C. If the situation is more than noncompliance with IRS, and this is a non-COVID related procurement, then inform the vendor that they need to be compliant with DCCA, DLIR, and DOTAX as these State Departments are open and able to work with vendors.
- D. If Vendor is a foreign company with no HCE standing, they must still register and request waivers from each department in order to achieve a ‘compliant’ HCE certificate per our Statute requirements. However, the real review required will be conducted using Step 2.

**2. Consider the following sites to determine vendor responsibility.** Print screen shots to show results and include in procurement package.

### FOR VENDORS

**Q** What do I need to do to sell my products or services to the State?

**A** In order to do business with the State vendors, contractors and service providers must:

1. Respond to procurements issued by the various departments in a timely fashion and as dictated by the solicitation; and
2. Comply with all applicable laws.

Vendors should do the following:

1. Register with [Hawaii Compliance Express \(HCE\)](#) – an online, efficient method for providing documentation of compliance with laws.
2. Register in [HlePRO](#) – the State of Hawaii eProcurement System
3. Check the [bidding opportunities](#) regularly. This includes notices of solicitations not conducted in HlePRO.
4. When responding to a solicitation, vendors should:
  1. Read the requirements, specifications, instructions and special and general conditions or provisions carefully.
  2. Respond in accordance with the instructions.
  3. If something is not clear, it is the vendor's responsibility to ask questions of the personnel conducting the solicitation.

To prepare for upcoming procurements, vendors should also check the [awards](#) website and the [price and vendor list contracts](#).

**Q** What is HlePRO?

**A** HlePRO is the State of Hawaii eProcurement system, a system for issuing solicitations, receiving responses, and issuing notices of award. HlePRO is hosted by the NIC Hawaii and has [many features](#).
