HOW TO USE THIS PROFESSIONAL SERVICES LIST:

1. In accordance with HRS § 103D-304 and HAR Chapter 3-122-63, whenever the need for accounting professional services arises during the 2023 fiscal year, the Head of the Purchasing Agency (HOPA) shall designate a selection committee to evaluate the statements of qualification and performance data of those persons on the list of qualified professionals, along with any other pertinent information.

   (a) The selection committee shall consist of a minimum of three (3) persons with sufficient education, training, and licenses or credentials in the area of accounting services required. Documentation of selection committee members must be placed in the procurement file via form SPO-024, Attestation Serving on an Evaluation, Review or Selection Committee, or equivalent.

   (b) Pursuant to HAR §3-122-69(b), deputy directors or equivalent appointed positions shall not serve on the selection committee.

   (c) Non-government employees may serve as advisors and may also serve as a committee member, but shall have sufficient knowledge, serve without compensation (unless HOPA justifies and approves (in writing)), and shall sign an affidavit (SPO-024 form or similar attestation).

2. The selection committee shall prepare criteria to evaluate the submissions. The criteria to evaluate and select the firms, in descending order of importance, are:

   (a) Experience and professional qualifications;
   (b) Past performance on projects of similar scope;
   (c) Capacity to accomplish the work in the required time; and
   (d) Any additional criteria(s) determined in writing by the selection committee to be relevant to the purchasing agency’s needs or necessary and appropriate to ensure full, open, and fair competition for professional services contracts.

3. The selection committee shall evaluate the submissions of firms on the list and may conduct confidential discussions with any firm on the qualified list regarding the services which are required and the services they are qualified to provide. The selection committee may request additional information from qualified professional service provider as needed.

4. The selection committee shall rank a minimum of three (3) firms and submit the ranking to the HOPA with a summary of their qualifications. If multiple firms have the same qualifications, the selection committee shall rank firms in a manner that ensures equal distribution of contracts.

5. The HOPA or designee shall negotiate a contract with the first (1st) ranked firm, including a fair and reasonable rate of compensation, and is based on written terms of estimated value, scope, complexity, and nature of the services.

   Should negotiations fail with the first (1st) ranked firm, negotiations must be formally terminated and negotiations with the second (2nd) ranked firm shall commence. If contract negotiations fail, then negotiations continue with the next ranked firm if necessary.

   Should negotiations with the top three (3) ranked firms fail, then the selection committee may be requested to submit a minimum of three (3) additional firms based on the same criteria.
6. Pursuant to HRS §103D-310(c) and HAR §3-122-112 the procuring officer shall verify compliance and may use the Hawaii Compliance Express for all contracts awarded. Copies of the compliance and the awards posting are required to be documented in the procurement/contract file.

7. A Notice of Award (NOA) shall be posted within seven (7) calendar days of the contract award date on the SPO’s award website at: https://hands.ehawaii.gov/hands/awards. Be sure to notify any non-selected firms in writing. If the selection committee is unable to provide a list of a minimum of three (3) firms, please refer to Procurement Circular No. 2014-16(A) for allowable options.

8. Non-selected firms may submit a written request for debriefing within three (3) working days after the posting of the contract award to be informed on the basis for non-selection.

Debriefing shall be held by the procurement officer or designee, to the maximum extent practicable, within seven (7) working days. Debriefings may be conducted individually or combined. A summary of any debriefing conducted should be included in the contract file.

9. Following the debriefing, non-selected firms may choose to file a protest, in writing, within five (5) working days after the date the debriefing is completed. Protest received shall be submitted to the SPO by completing form SPO-043, Report on Procurement Protest.
