3. For purchases from \$100,000 and above:
  - a. Obtain a price quote from three or more different contractors, or
  - b. Select one contractor that lists three or more authorized resellers and obtain a minimum of three price quotes from the manufacturer and/or their authorized resellers.
  - c. Complete Form SPO-010.
  - d. Award is based on best value.

Personnel conducting or participating in utilizing Vendor List Contract No. 15-05 is responsible to complete form SPO-010, *Record of Procurement* for purchases of \$5,000 or more. If unable to obtain the minimum number of price quotes, written justification is explained in Part C. If award is not made to the lowest bidder, written justification is explained in Part D. The approved Form SPO-010 is kept in the procurement/contract file.

**CONSIDERATION OF QUOTES.** Agencies shall consider all responsive and responsible quotes received. An award shall be made to the Contractor(s) offering the lowest price. If the lowest price does not meet the agencies specification requirement, the award may be made to the vendor(s) whose offer represents the best value to the agency. Best value means the most advantageous offer determined by evaluating and comparing all relevant criteria in addition to price so that the offer meeting the overall combination that best services the agency is selected. These criteria may include, in addition to others, the total cost of ownership, performance, history of the vendor, quality of goods, services, delivery and proposed technical performance.
