PROCUREMENT CIRCULAR 2007-03, Amendment 4

TO: Office of the Governor
Office of the Lieutenant Governor
Chief of Staff
Executive Department Heads
Hawaii State Public Library System, State Librarian

FROM: Sarah Allen 

SUBJECT: Intra and Out-of-State Travel Procedures

ACT 158, Relating to Governmental Travel, was signed into law by Governor David Ige on June 29, 2016, effective July 1, 2016. This ACT allows the State and counties to pay approved travel costs, for officers and employees, directly to vendors or by cash advances prior to travel, rather than reimbursement after-the-fact.

ACT 158 reads in part:

“§78- Payment of approved travel costs for public officers and employees. (a) This section shall apply to all approved travel costs incurred by an officer or employee of the State or a county in connection with the official business of the respective jurisdiction.

(b) Subject to subsection (d), the State and the counties may pay approved travel costs directly:

(1) The vendor providing the goods or services involved; or

(2) The officer or employee for whom the approved travel costs are to be paid, by way of a cash advance prior to the date of purchase, unless the officer or employee affirmatively agrees to loan the State or a county the money for the travel costs and be reimbursed after the officer or employee pays for the travel costs.

ACT 158 further states:

“§78 – (e) For the purposes of this section, “approved travel costs” mean any determinable costs of travel for official state or county business approved by the respective jurisdiction and supported by a written invoice. The term includes the costs of transportation to and from a destination point, between destination points, or within a destination point; event registration fees; per diem allowances; and any other necessary costs related to the travel.

Therefore in accordance with the statute, the Intra- and Out-of-State Travel Procedures and forms have been revised and shall be effective November 1, 2016.

The *Travel Approval Form*, for SPO-030, Worksheets A-D, and *Statement of Completed Travel*, SPO Form-031, are available on the SPO website, www.spo.hawaii.gov, click on “Forms.”

**STATE PROCUREMENT OFFICE
TRAVEL PROCEDURES**

Effective 11/1/2016, these travel procedures and the applicable revised form and worksheets shall be used for purposes of Intra-State and Out-of-State travel. Department may impose additional requirements in its departmental travel procedures.

AIFARE: Worksheet A

1. Fill in all fields and indicate which itinerary was selected (for out-of-state travel).
2. **Intra-State travel** requires only one airfare quote. Agencies are encouraged to enroll in the Hawaiian Air corporate program to take advantage of the preferred fares, minimal or no change fees and a liberal refund/change policy. See PL13-21, or as amended.
3. **Out-of-State travel** requires a minimum of two airfares for authorized/official business, from two different sources. The employee shall be scheduled to arrive at the out-of-state destination at least ten (10) hours before reporting to duty.
4. Worksheet A* should reflect the two authorized flight schedules (sections Itinerary #1 and #2). Itinerary #3 may be used to indicate airfare costs combining authorized travel with personal deviation(s)**.
5. For out-of-state travel, select the most economical airfare (unless otherwise justified), based on the itinerary that fits the business requirements.
6. The pCard shall be used for authorized airfare. Any personal deviation(s) which increases the airfare is the responsibility of the traveler. The pCard shall not be used to cover the increase in cost for any personal deviation.
7. Baggage is limited to one checked bag, based on the airline's standard weight and linear measurements.
8. Place the total cost of authorized airfare in the appropriate field on the Travel Approval Form (TAF).
9. Confirmed reservations shall not be made until the TAF has been approved by the appropriate approving authority.

Notes:

*Worksheet A may need to be redone, if the original airfare quotes are no longer valid. An amended TAF is not necessary if the airfare quotes are revised.

** Personal deviation includes personal preferences on air carrier, side trips, routing, schedule, etc. Any additional costs, resulting from deviations are the responsibility of the traveler. The traveler shall obtain an airfare quote for the authorized portion of the trip and any personal deviation costs.
