State of Hawaii Carey Ann Sasaki State Procurement Office P.O. Box 119 Honolulu, HI 96810

Subject: SPO Vendor List Contract No. 23-03 Furnish, Deliver, Install and Manage Network and Telecommunications Services – Statewide Change Number 2 (Revised)

Dear Carey Ann Sasaki,

You'll recall there were some questions on the initial submittal for Change Number 2 earlier this year. What is attached here is the revised and updated Change Number 2 for your consideration. To summarize:

• Appendix 2: Other Services

- Hosted User Packages Section: Updated telset offering (replaced Yealinks with Polycom E Series)
- LAN Hardware Section: Added Polycom expansion module
- Labor Charges Section: Added a Cat6 Cable Run line item
- MS Teams Voice Options: Modified the MS Teams Voice Add On Options, Microsoft 365 Business Voice Hardware sections & added Microsoft 365 Business Voice Labor Charges & Training sections

Enclosed is the updated pricelist page. Thank you for considering our proposal. If there are any questions, please contact me at (808) 546-4963.

Sincerely,

Keith Heininger HATS Program Manager

cc. Vince Hoang, ETS

*Note: Term Agreement prices shown are Monthly Recurring Charges (MRC) unless otherwise noted as Non-Recurring Charge (NRC).

Terms & Conditions

1. Above rates do not include applicable taxes, surcharges, or other fees. This Pricing excludes promotions.

2. Minimum of four (4) Hosted Users per service location; minimum bandwidth requirements for applicable Hawaiian Telcom Broadband Internet Service will apply. Other terms & conditions may apply.

3. Services are contingent upon available facilities and/or capacity subject to determination by Hawaiian Telcom. Rates are provided on a "Where Facilities Exist Basis," subject to availability, on the day an order is placed.

4. The customer is responsible for providing all space, power and environmental controlled requirements for the equipment at the customer location(s).

5. The customer is responsible for providing all support structures within the Customer Premises.

6. Customer is required to provide the necessary electrical and environment requirements for the proper function of the service. Inside wiring must meet the standard for 100Base-TX (min. of Cat5 cable) or 1000Base-T (min. of Cat5e cable) transmission.

7. Bandwidth upgrades and/or changes to access are subject to availability and may require Special Construction charges and/or a change to the hand-off interface.

- For example: A bandwidth upgrade from 100 Mbps delivered over FastEthernet to 250 Mbps will require a GigE hand-off.

8. If Customer requests to change a confirmed service installation date within 48 hours of the install date, there will be a \$245.00 service fee. This fee shall also apply if any customer-provided wiring or construction required to install service is not completed by the confirmed service install date.

9. Hawaiian Telcom reserves the right to offer the State any future eligible promotions/discounts that would be advantageous to the State. All Hawaiian Telcom terms and conditions of the promotion/discounts will apply.

10. Termination liability for 3-Year and 5- Year: If Customer cancels an order in whole or in part or terminates this Service at any time during the Service Period, Customer shall either pay to Hawaiian Telcom a termination charge equal to the sum of Broadband List MRC and fifty-percent (50%) of the applicable monthly rate for the terminated Service, multiply by the number of months remaining in the unexpired portion of the Service Period, or the amount negotiated per the State of Hawaii's General Terms & Conditions, Section 14. Termination for Convenience, d. Compensation section, whichever is greater. Any such termination liability charge shall be due and payable in one lump sum within thirty (30) days of billing.

If Customer terminates an order subsequent to the execution of this Agreement by the Parties but prior to the in-service date, Customer shall pay to Hawaiian Telcom all costs incurred by Hawaiian Telcom for order and service preparation.

11. *ICB or Individual Case Basis - customized pricing.

12. Only End price rates will be listed on billing statements

13. Equipment listed above will be provided on a rental basis by Hawaiian Telcom

14. MS TEAMS Direct Route Calling and Operator Connect w/ Unlimited Local users must have appropriate MS O365 license and voice license (additional charge)

15. MS TEAMS Direct Route Calling and Operator Connect w/ Unlimited Local users must have appropriate Hosted User license for add on or standalone options

16. Customer is responsible for the management, administration, support and provisioning of the Microsoft Teams Tenant (including the provisioning of Telephone numbers assigned by Hawaiian Telcom)

Business Hosted Voice Services

Business Voice Essentials Services may be offered for situations that may not fall within our standard BAiO deployment, such as Hawaiian Telcom provided Broadband or BAIO network equipment. For customized services outside of the scope of our standard Business-All-in-One (BAiO) service offering, please inquire with your Account Manager as Custom Solution and pricing will need to be provided.

State of Hawaii Carey Ann Sasaki State Procurement Office P.O. Box 119 Honolulu, HI 96810

Subject: SPO Vendor List Contract No. 23-03 Furnish, Deliver, Install and Manage Network and Telecommunications Services – Statewide Change Number 4

Dear Carey Ann Sasaki,

Hawaiian Telcom, Inc. is submitting Change Number 4 which is simply a visual representation of the charges associated with PRI (Primary Rate Interface) service. Previously, there was only a reference to the Tariff passage to obtain pricing which could be found on OF-6 Schedule D - Page 10 of 54 under Section 3.2.1.8.1 – Other Services. With this submittal, users will not have to search PUC Tariff No 20, section 8.5 for pricing. They can refer to the attached.

Enclosed is the updated pricelist pages. Thank you for considering this submittal. If there are any questions, please contact me at (808) 546-4963.

Sincerely,

Keith Heininger HATS Program Manager

cc. Vince Hoang, ETS
