SUBJECT: Revised Special Item Numbers - General Services Administration (GSA) Schedule 84 Contracts for Security, Fire & Law Enforcement

This procurement circular is amended to allow agencies to use the GSA Schedule 84, Security, Fire & Law Enforcement, for any Special Item Numbers (SIN) that may be used for disaster preparedness, in response to disaster situations and declared emergencies for specific Special Item Numbers (SINs). Please see Attachment A for listings. All conditions outlined in [Procurement Circular 2019-01](#) apply.

As a reminder, the State Procurement Office (SPO) advises each department to exercise pre-planning in deciding which procurements may be submitted for reimbursement by the Federal Emergency Management Agency (FEMA).

The Federal government requires each state to conduct procurement according to their respective state's procurement code and will not reimburse if the department deviates from the code. As a note, the Federal government does not recognize "exemptions".

For FEMA reimbursements, consider the following:

- Contact HI-EMA and SPO to review the solicitation before it goes out to ensure it includes all mandatory requirements.
- Be aware of evaluation and post-award requirements, and documents required for the contract file.
- Use the SPO site as a resource to learn about FEMA Reimbursement and GSA programs to prepare for emergencies. This can be found at www.spo.hawaii.gov. Go to [For State & County Personnel](#) > [Disaster Preparedness & Response Procurement](#).
- Since Counties may have additional procurement restrictions, it is advisable to use the SPO website and the Code of Federal Regulations website at <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200?toc=1> to learn and understand 2CFR200 and FEMA supplementals.

Note: FEMA may not reimburse eligible expenses if procurements do not comply with Chapter 103D, Hawaii Revised Statutes (HRS) and other federal requirements listed under 2 Code of Federal Regulations (CFR) § 200.317 – 326. Therefore, to the extent possible, Chapter 103D, HRS, should be followed.

Questions may be directed to state.procurement.office@hawaii.gov.
