## GENERAL INFORMATION

The Procurement and Contracts Branch (PCB) competitively solicited for the provision of *Disposable Food Services Products, Statewide* and has made awards to those Contractors named above and on the attached.

## BID PRICES

Unit bid prices shall be based on delivery to the island (Molokai or Lanai) the Department of Education school cafeteria and/or office is located. For deliveries made to the dock, the Department of Education will arrange transport of goods from the dock to the school; the Department of Education may require CONTRACTOR to provide information regarding their shipment for successful transport.

For all orders from the participating State agencies (under the Executive and Judiciary jurisdictions), CONTRACTOR shall coordinate delivery with the ordering State agency located on the Island of Molokai or Lanai.

Unit bid prices shall include labor, equipment, delivery, materials, transportation, overhead, profit, all applicable taxes, and any other incidental and operational expenses incurred in the performance of all obligations hereunder. Unit bid price shall be the all-inclusive cost to the STATE and no other charges will be honored. In case of error in extension of bid price, unit bid price shall govern.

## STATE'S COMMITMENT

Pursuant to Section 3-121-6, HAR, it is mandatory that all Hawaii State Department of Education cafeterias purchase from price lists issued by the Hawaii State Department of Education, Procurement and Contracts Branch (PCB).

The jurisdictions under the Chief Procurement Officers of the State Procurement Office and the Judiciary may, but are not required to, utilize this price list.

## EXCEPTION FROM PRICE LIST

If the price list is not suited to the Department schools' and offices' purpose, exception to purchase outside of this Price List may be granted by the Department Procurement and Contracts Branch.

To obtain approval, Department schools and offices must justify the exception on the DOE Form 5, "*Request Exception From Purchasing From Price List*" and fax to the Department Procurement and Contracts Branch. The approval must be obtained prior to purchase and the usual procurement rules and procedures apply to such purchases.

## ORDERS

During the award period, orders will be submitted to the CONTRACTOR(s) by the various Hawaii State Department of Education cafeterias or other participating State agencies as products are required. The CONTRACTOR shall honor all orders received during the award period and shall deliver items according to the award terms and within the required delivery time. If a CONTRACTOR is unable to deliver because product is temporarily out of stock, it shall be the CONTRACTOR's responsibility to notify the CA and/or the POC and the ordering entity of the shortages on the awarded items at least five (5) days before the requested delivery date.

## ORDERING PROCEDURES FOR DEPARTMENT CAFETERIAS

- Orders must be placed ten (10) business days prior to requested delivery date.
- Orders from Department cafeterias shall be submitted to the above-listed vendors using order forms provided by the SFSB.
- **"Hawaii State Department of Education Price List No. E25-13"** should be noted on orders and invoices issued against this price list.
- When revising orders, SFSM must remember to state "Revised" and date of revision on new order. Failure to do so may result in a duplicate order.
- SFSM should retain this price list for future reference to specific terms and conditions related to items purchased.

## DELIVERY AND ACCEPTANCE

For orders received prior to ten (10) business days of requested delivery dates, CONTRACTOR shall deliver on the requested delivery date. The Hawaii State Department of Education may, at any time and by written order, stop the delivery of products not conforming to these specifications. Such stop order shall not relieve the CONTRACTOR of its obligation to complete its work within the award time limits, nor shall it in any way terminate, cancel, or abrogate the award or any part thereof.
